

For pools of 3 or 4 players, each player will compete against every player in the pool. Finishing order will be determined by the most wins. In the event that two players are tied in wins, the winner of the head-to-head competition will finish ahead of the other player. If more than two players are tied in wins, points will be used as the tie-breaker. Points are awarded for wins only, based on the highest score achieved in the match, as follows:

 ippon = 10 points • waza-ari = 7 points • yuko = 5 points • penalty= 1 point
